DESCRIPTION OF GOODS

Prinergy Evo Essential Bundle Subscription	
Part #	Product Name
S015-01380A-010	Subscription KODAK PRINERGY EVO - Essential Bundle Conversion (Current Customer)
Description: Only features the customer does not subscribe to or own will be added to their configuration. For Current customers only. All options, features, and users the customer currently owns or subscribes to will be maintained in the conversion. Note: Individual licenses in the bundles cannot be broken out of the bundle and transferred to another site. KODAK PRINERGY EVO is designed for simple, automated operation from the desktop using Process Templates. Refine provides Preflight (standard), Normalizing, Color Management, and Optimizing of input PostScript, PDF, and other file formats into a PDF or PDF/X digital master. Includes functionality for OPI, CT/LW & TIFF/IT input, Vector Output, Font Outlining, Batch Recombiner and file input from Unix. Includes: - Subscription - KODAK PRINERGY Option - PDF Production Tools - System-Wide Unlimited - Subscription - KODAK PRINERGY Option - PrintLink Ink Key Setting - Subscription - KODAK PRINERGY Option - KODAK STACCATO Screening - Subscription - KODAK PRINERGY EVO Option - Advanced Preflight - Subscription - KODAK PRINERGY EVO Option - Advanced Screening Key features included with PRINERGY EVO Software: - 1x HiRes Output JTP with output format for up to 8Up Devices - 1x concurrent client license - 1x Maxtone CX screening - ColorFlow Workflow Edition * Workflow templates included This is for KODAK PRINERGY EVO SOFTWARE ONLY Kodak makes no claims or guarantees related to performance for user provided hardware and operating systems. Minimum hardware requirements are the lowest configuration suggested. For better performance, consider that faster processor and more RAM will always increase throughput. * For WINDOWS 2019 SERVER, KODAK PRINERGY EVO requires a qualified KODAK-spec server, or minimum requirements specifications below. * For WINDOWS 10 PROFESSIONAL, please see minimum requirements specifications below. Minimum hardware requirements: * Processor: 1 gigahertz (GHz) or faster Intel i5 or i7 processor, with a minimum of 4 cores. * RAM: 12GB or better * Hard disk space: 120GB for 64-bit OS * Graphics card: DirectX 9 or later with WDDM 1.0 driver * Display: 1024-by-768 resolution Kodak services for performing upgrades are available through Professional Services. Install Includes: License key	

Part #	Product Name
***Does not include Server Hardware or Training/SUA. These must be added separately.	
S015-01280A-121	Subscription - KODAK PRINERGY Option - KODAK PREPS Floating License
Description: Pricing is based on a Monthly Rate and applicable over the course of the Subscription Term. This special edition of KODAK PREPS uses a floating license provided by a KODAK PRINERGY or KODAK PRINERGY EVO server, instead of a dongle. It allows for one instance of KODAK PREPS to run at a time from any workstation connected to the workflow server. Provides all the features and benefits of KODAK PREPS, with the added flexibility of server-based licensing. Install Includes: License key *Software and documentation can be downloaded thru Partner Place Professional Subscription Plan Remote STD (Replace SSL Plus with Professional Subscription Plan) Install Notes: ****Customer must be on KODAK PRINERGY 5.0.3.2 and above or Evo 5.1.6.0 and above.**** When ordering this part, the KODAK PRINERGY, KODAK PRINERGY EVO, or Director dongle serial number MUST be submitted with the order. When PREPS is licensed with PRINERGY it will be treated like other PRINERGY options: the PREPS version offered will be the version supported by the Prinergy version regardless whether it was purchased or received as part of a service entitlement. For example, when upgrading to PRINERGY 6, all instances of PREPS will be upgraded to PREPS 7 and will contain PREPS Pro features. This is required to maintain compatibility with PRINERGY when running PREPS with PRINERGY in interactive mode. PRINERGY license manager will allow older versions of standalone PREPS (copies of PREPS that are not installed with PRINERGY) to lease a license from a PREPS 7 system if an older version of PREPS is required.	

SCHEDULE - SUPPORT SERVICES
