History Of Highland Computer Forms

Figure 1. Featured in the Invest Steuben directory, HCF maintains an established presence within the local Indiana manufacturing community.

Founded in 1979 by Phil Wilson, Highland Computer Forms, Inc. (HCF) is an established trade-only manufacturer in the business forms market. Operating exclusively through a network of distributors, HCF produces a comprehensive line of cut sheets, continuous forms, integrated labels, snap-outs, jumbo rolls, and medical forms. Now led by President Steve Patton and Vice President Rob Jones, who share over 70 years of print industry experience, the company has continuously expanded its market footprint, including the strategic asset acquisitions of F.P. Horak in 2021 and Dupli-Systems in 2022.

Operations are guided by a core philosophy known as "The Highland Way," which centers on product quality, transactional efficiency, and competitive pricing. To maintain strict manufacturing standards, HCF utilizes premium-grade papers and wet offset printing to deliver finer screens, cleaner images, and sharper colors. This quality is supported by ongoing investments in advanced material handling technology and skilled machine operators.

Structured prudently, its client relationships emphasize flexibility, operating without rigid contracts and offering a no-hassle return policy to simplify the procurement process. Furthermore, HCF leverages its significant purchasing power and operational resourcefulness to maintain highly competitive pricing across its product lines, allowing distributors to secure consistent value.

Facilities

Figure 2. HCF's facilities are in the heart of the Midwest.

Distances from Hillsboro, OH to:
 Cincinnati Airport (CVG)-67 mi.
 Columbus Airport (CMH)-85 mi.
 Frankfort, KY-133 mi.

Charleston, WV-149 mi.
 Indianapolis, IN-163 mi.

Distances from Angola, IN to:
 Ft. Wayne Airport (FWA)-42 mi.
 Lansing, MI-90 mi.
 Detroit Airport (DTW)-144 mi.
 Indianapolis, IN-166 mi.
 Chicago, IL-167 mi.
 Cleveland, OH-184 mi.

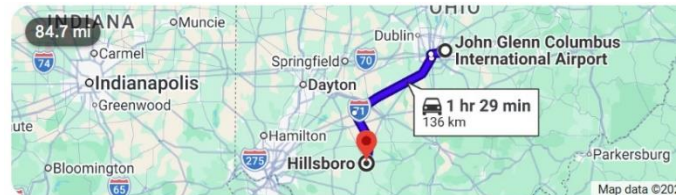

HCF has three (3) plants-two (2) in Hillsboro, OH and one in Angola, IN

- 1) HCF's main HQ plant is 73,000 sq. ft. and sits on 14 acres of land and is owned by the corporation. It is estimated to be worth ~\$1,500,000 and would have a FMR of \$2.00/ft. NNN
- 2) The second Hillsboro plant is 15,000 sq. ft. and sits on 2.25 acres of land and is owned by the principals of HCF along with a third party. HCF leases this building at \$2.70/ft. NNN and it is estimated to be worth ~\$400,000-\$500,000.
- 3) HCF's Angola, IN plant is 42,000 sq. ft. and sits on 3.1 acres of land and was built by the founder and former owner of HCF (Phil Wilson-late 80's) who still owns it. It is estimated to be worth ~\$2,500,000 and HCF leases it for \$X/ft. NNN. Phil would entertain selling the building to whoever acquires HCF if so desired.

TOP MANAGEMENT TEAM

Steve Patton (President)

Primary Location: Hillsboro #1 & #2

Age: 66 (DOB: 12/19/1959)

Joined HCF: 2/9/1987 (39 years ago)

Residence: Hillsboro, Ohio

Compensation: \$100,000

Note: Before becoming President, Steve Patton was VP of Operations.

Rob Jones (Vice President)

Primary Location: Angola

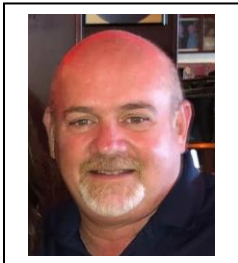

Age: 56 (DOB: ???)

Joined HCF: ??? (many years ago) **Rob is Founder Phil Wilson's step-son**

Residence: Angola, IN

Compensation: \$100,000

Note: Rob used to be the Director of Marketing and Plant Manager of Angola.

Barry Thackston (Production Manager)

Primary Location: Hillsboro #1

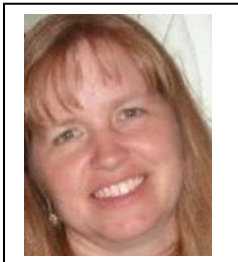

Age: 62 (DOB: 04/24/64)

Joined HCF: 1988 (38 years ago)

Residence: City, State

Compensation: \$65,000

Note: Also handles scheduling

Ronda Smith (Controller)

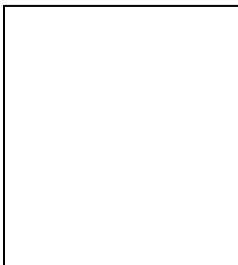

Primary Location: Hillsboro #1

Age: 58 (DOB: 08/08/67)

Joined HCF: 1993 (33 years ago)

Residence: City, State

Compensation: \$71,000

Brooke Hargrett (Assistant Controller???)

Primary Location: Hillsboro #1

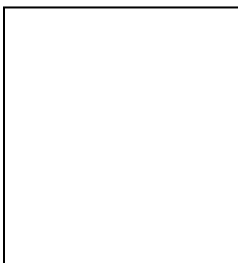

Age: 48 (DOB: 12/12/77)

Joined HCF: 1999 (27 years ago)

Residence: City, State

Compensation: \$68,000

Note: Ronda's back up and replacement.

Noah Jones (Sales Service)

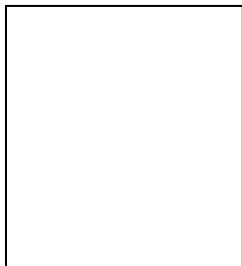

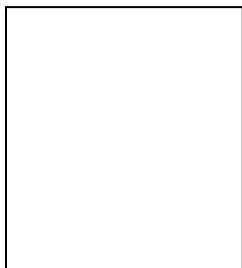

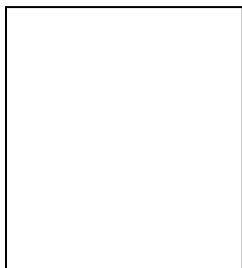

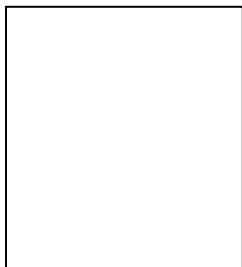

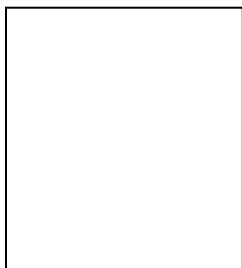

Primary Location: Hillsboro #1

Age: 32 (DOB: 04/26/94)

Joined HCF: 2010 (16 years ago)

Residence: City, State

Compensation: \$49,580

Products & Offerings of Highland Computer Forms

Collated Cut Sheets

HCF produces high-quality, guaranteed laser-safe cut sheets for short, medium, and long runs. Printed wet offset on premium-grade papers, these forms deliver reliable performance across a wide range of business applications.

- **Specifications:**
 - Form depths: 11", 5.5", and 14"
 - Available up to 6 parts
 - Straight and reverse collated configurations
 - Long and short grain options
- **Customization & Features:**
 - Up to 4-color printing
 - Environmentally safe carbonless paper options
 - Crash and press numbering
 - Extra vertical/horizontal perforations and file holes
- **Applications:**
 - Invoices, Work Orders, and Bill of Lading
 - Medical Claim Forms and Bank/Financial Statements
 - Utility Bills and Rental Statements
 - Distribution, Delivery, and Counter Sales Receipts

Figure 3. HCF offers a wide variety of straight and reverse collated cut sheets.

Integrated Labels & Forms

Drawing on more than 35 years of manufacturing expertise, HCF engineers integrated label forms that combine a document and pressure-sensitive label on one sheet. This format helps streamline processing, fulfillment, and related operational tasks.

- **Specifications:**
 - Form depths: 3.5" to 14" - Form widths: 6" to 18"
 - Label lengths: 1" to 9.5" - Label widths: 2" to 17"
 - Delivered roll-to-pack, roll-to-roll, roll-to-fold, or roll-to-sheet
- **Features:**
 - Up to 6-color printing
 - Multiple adhesive options
- **Applications:**
 - Inventory Control and Mail Order Fulfillment
 - Invoicing, Order Picking, and Packaging
 - Return Address Labels and Medical Records/Prescriptions

Figure 4. A sample of integrated forms and labels, designed for seamless compatibility with standard printing and processing equipment.

Integrated Cards

HCF's integrated card forms embed durable cards directly within a printed document, creating an efficient solution for identification, membership, insurance, security, and promotional programs.

- **Specifications:**
 - Form depths: 3.5" to 14" - Form widths: 2" to 17"
 - Peel-off or punch-out card formats
 - Delivered roll-to-pack, roll-to-roll, roll-to-fold, or roll-to-sheet
- **Customization:**
 - Magnetic stripe integration
 - 1 or 2-sided clear or matte lamination
 - Up to 4-color printing
- **Applications:**
 - Membership, Student ID, and Insurance Cards
 - Parking Permits and Security Passes
 - Promotional, Discount, and Book Club Cards

Figure 5. Ideal for insurance, banking and membership programs, integrated cards deliver a professional presentation while minimizing fulfillment errors.

Security Documents

HCF manufactures secure documents designed to reduce fraud, counterfeiting, and unauthorized duplication. These solutions support financial, medical, and government-related applications where document integrity is critical.

- **Specifications:**
 - Form depths: 11", 8.5", 7", 4.25", 3.66", and 3.5"
 - Available in cut sheet and continuous formats (single or multi-part)
 - Available in short, medium and long runs
 - Crash & Press numbering
 - MICR Encoding and Microperforating
- **Security Features:**
 - Void Pantograph, Micro Printing, and Thermochromic Ink
 - True & Artificial Watermarks
 - Embedded Fibers (Visible & Invisible) and Chemical Reactive Papers
 - Printloc Toner Anchorage and MICR encoding
- **Applications:**
 - Banking and Financial Checks
 - Medical Prescription (Rx) Forms

Figure 6. Designed to combat fraud, HCF's secure check stock protects critical financial workflows. The samples seen here have perforations, microprinting, watermarks and other protective features.

Continuous Forms

Designed for uninterrupted, high-volume processing, HCF's continuous forms are available for short to long runs and support dot-matrix and tractor-feed printing environments.

- **Specifications:**
 - Available in 1 through 6 parts
 - Crimp or glue construction
- **Customization:**
 - Up to 6-color printing and 4-color process
 - Extra vertical/horizontal perforations and file holes
- **Applications:**
 - Norand Forms and Work Orders
 - Counter Sales, Dry Cleaning, and Delivery Receipts

The form is a multi-part continuous form designed for tractor-feed printing. It features a header section with a blue background and yellow text for service categories: IMPORT, EXPORT, DOMESTIC, HEAVY HAULING, and CONSOLIDATION. Below this, the company name "Worldwide Transportation, Inc." is printed in blue, followed by its address and phone number. To the right, there are fields for INVOICE DATE, INVOICE NO. (00001), U.S. REF. NO., and TERMS (NET: 15 DAYS). A vertical "TO" label is positioned on the left side. The main body of the form is a table with four columns: YOUR REFERENCE, FROM, TO, and AMOUNT. A large, light blue illustration of a semi-truck is centered across the FROM and TO columns. At the bottom, a small disclaimer states: "Liability including negligence is limited to the sum of \$50.00 a shipment, unless a greater valuation is declared in writing at time of shipment and such greater valuation shall be paid for or agreed to be paid at the rate of \$5.00 for each \$100 of excess valuation or fraction thereof to declared. All claims must be filed in writing within 30 days from date of receipt."

YOUR REFERENCE	FROM	TO	AMOUNT
			

Figure 7. A sample multi-part continuous form, featuring standard tractor-feed margins and custom color printing for transportation workflows.

Unit-Sets

HCF produces durable, multi-part unit sets that consolidate extensive information into a single organized format, making them well suited for forms, books, receipts, tickets, and other high-detail applications.

- **Specifications & Features:**
 - Up to 13 parts (collated in a single pass)
 - Wraparound covered stitched books with custom printed covers
 - Cross web glued pockets and transfer tape
 - Up to 6-color printing and consecutive barcoding
- **Applications:**
 - Membership Forms, Applications, and Surveys
 - Parking Tickets and Violation Forms
 - Driver's Log Books and Receipts

Figure 8. A complex 6-part unit-set, demonstrating HCF's ability to produce color-coded, multi-copy forms for complex data collection.

Healthcare Forms & Envelopes

HCF produces specialized medical documentation and corresponding envelopes, rigorously designed to meet the strict regulatory and processing standards of the healthcare industry.

- **Medical Claim Forms:**
 - CMS-1500 and UB-04 forms printed to GPO standards in OCR Red Ink.
 - Available in 8.5" x 11" cut sheets or 9.5" x 11" continuous formats.
- **Healthcare Claim Envelopes:**
 - Self-sealing closures for rapid, hassle-free processing.
 - Built-in security liners to obscure and protect sensitive patient data.
 - **G36 Jumbo (9" x 12.5"):** Portrait Envelope featuring a 1" x 4.5" right-aligned window.
 - Pre-printed with postal handling instructions.
 - Has Caduceus "health Insurance Claim Forms" graphic.
 - **G38 / #10.5 (4.5" x 9.5"):** Landscape envelope featuring a 1" x 4.5" right-aligned window
 - Perfectly tailored for standard claim form address alignment

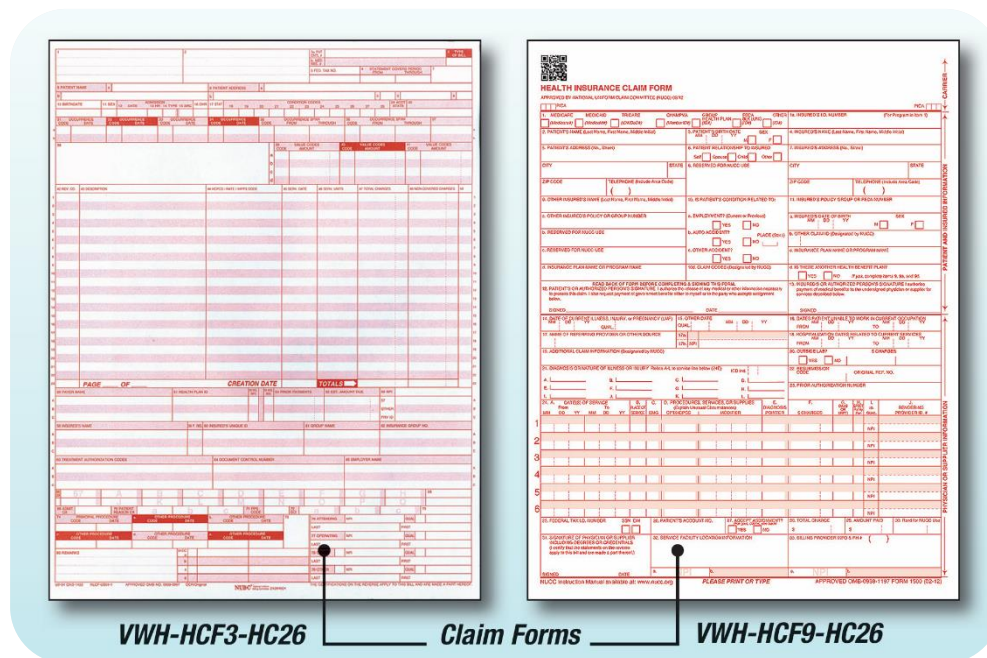

Figure 9. Fabricated for critical healthcare tasks, these compliant claim forms pair perfectly with HCF's specialized, windowed security envelopes.

Jumbo Rolls

HCF manufactures high-volume roll media engineered for seamless processing in large-scale printing and mailing operations.

- **Product Description:**

- Core sizes: 3", 5" and 6" available
- Up to 4 color printing
- Routine test-roll printing

- **Applications:**

- Financial and Retail Statements
- Credit Card Processors and Direct Mail.
- Payroll and Utility Bills.
- Government Forms & Surveys
- Insurance Statements & Transaction Vouchers

Figure 10. Each roll is stretch wrap protected, then wrapped again onto a heavy-duty skid.

OBJECTIVE:

- We are seeking to find a new owner of HCF. Steve Patton owns 51% of the company, with the remaining 49% owned by Rob Jones.

The new owner we are looking for will most likely be either another business forms manufacturer or a paper products converter looking to branch into business forms & related.

- The shareholders of HCF would like to be paid in cash or in stock of a public company. The shareholders may entertain an earn out, given the right circumstances.

^① The internals seem to have placed "Shipping Wages" into the "Indirect Labor" line item.

^② The Company has a self-funded insurance plan. The estimated cost of this self-funded insurance plan is developed from actual claims paid prior to year-end, and is adjusted using historical claims data and incurred-but-not-received factors.
