DOCUMENT MOUNTAIN BY CORNERSTONE
Extended Maintenance Agreement

Email service
for invoices/
acknowledgements
to customers.

Purpose:

Document Mountain by Cornerstone offers annual maintenance agreements to all customers at the rate of 20% of the products list price. The extended maintenance agreement option is designed for the sole purpose of offering customers a discounted rate for their annual maintenance program by agreeing to purchase a multi-year maintenance agreement. The extended maintenance agreement does not in any way change or alter the terms and conditions of the maintenance agreement.

Conditions:

Document Mountain by Cornerstone customers that wish to select the extended maintenance option must sign the standard maintenance agreement and the extended maintenance agreement option to secure the discounted rate.

Terms:

Document Mountain by Cornerstone customers must select and agree to a two, three, or four-year option listed below. This will determine the discount to be applied to the annual maintenance agreement. The customer will be billed each year for one year of maintenance. If the customer cancels or chooses not to continue the annual maintenance program for the agreed upon period of time, Document Mountain by Cornerstone will invoice the customer, and the customer agrees to pay the remaining balance of the agreement.

***This agreement allows the customer to make a reduction to the products of no more than 25% the current amount value at the halfway point of the chosen term. The reduced maintenance amount will be determined by the retail price of the desired solution at the time the reduction is made. If no reduction is made, the current amount will continue into the remaining years.*
